Dedicated Curlers

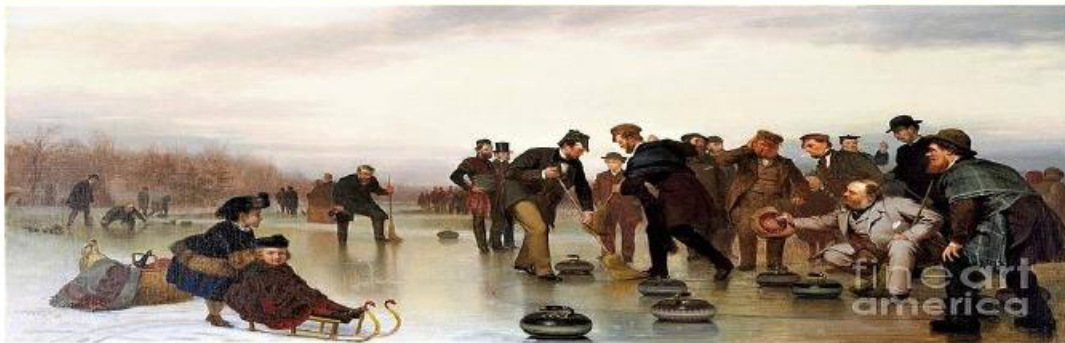

Now here are some really dedicated curlers. We owe a lot to all these front line workers even if they do take time off to enjoy themselves on the curling rink. What have you been doing during these isolation days? Send us some of your activities during these troubled times with your kids or without like these.

Yup one more, Roomba Curling

**DON'T
FORGET!**

If you have anything to share with your fellow curlers please send it on to us. We'll consider anything. Send in your photos too from bonspiels or things during the regular evening league play. If you go to a bonspiel outside the club and win a draw or something involving our club members send it in to us even during this crisis.

Board Members Needed

We are in need of members who are willing to step up into a role on our Board of Directors. We will have 3 openings on the board for next season. Please remember that this is a club that runs almost entirely by volunteers and it will not run without our members stepping up and volunteering for these leadership positions. If you are interested in helping and/or have any questions about serving on the Board of Directors, please speak to one of our board members before the AGM date to be announced.

GREAT TRUTHS THAT LITTLE CHILDREN HAVE LEARNED:

- 1) No matter how hard you try, you can't baptize cats.
- 2) When your Mom is mad at your Dad, don't let her brush your hair.
- 3) If your sister hits you, don't hit her back. They always catch the second person.
- 4) Never ask your 3-year old brother to hold a tomato.
- 5) You can't trust dogs to watch your food.
- 6) Don't sneeze when someone is cutting your hair.
- 7) Never hold a Dust-Buster and a cat at the same time.
- 8) You can't hide a piece of broccoli in a glass of milk.
- 9) Don't wear polka-dot underwear under white shorts.
- 10) The best place to be when you're sad is Grandma's lap.

We owe a lot to these 4 gentlemen L to R: technician Jim Carter, Andy Maine chief ice technician, Ken Bancroft and Barry March technicians for preparing our ice for us very day throughout the curling season. The rest of us would also like to thank not only these 4 but there are others behind the scenes who help bring us good ice. Andy would like to thank those unsung volunteers. They did a splendid job. Andy says that the final cleanup has yet to be done so be ready for a call for help to clean up the ice area before next year starts. There will be lots going on before next season starts so there will lots of work to done then and hopefully we can get the *Major Icemakers Mayhem Bonspiel* going again next year.

We include this page merely to have a giggle in these trying times. Maybe if we laugh enough at the virus it will go away. We know some of you are hurting and fed up with this isolation but please stay the course. It will pass and there is a slight light at the tunnel. We wish you and your families all the best in the coming weeks. After all we need you back at the curling club next fall to start another wonderful curling season. See you next year.
